

Lianna Klassen is an award-winning, Canadian Christian Celtic/worldbeat-influenced artist, based out of Montreal, Quebec. A Juno Nominee and CGMA award winner, Lianna has released six albums.

She has a skill in gathering sounds and styles from around the world and forging them together into something that is memorable, radiant and inspiring. Lianna has had the opportunity to minister around the world and is known as one who portrays deep truth and emotion through her music. She has a heartfelt desire to see the church rise up to its full potential in creative worship. A few years ago, God brought her into more of an awareness of the many wonderful and diverse sounds and drumbeats that He has created for His glory in the nations. She began to incorporate this diversity into her writing and musical style. Her six recordings are a direct result of this vision with their worldbeat and worldworship overtones. Her *Song For Canada* has become a treasured prayer for thousands across Canada.

Her latest recording, **The Guest** is a combination of Celtic hymns, meditations and chants, inspired by early Celtic Christian writings and Lianna's own experience in intercession. She is a worship leader and has lead worship in conferences and conventions across Canada and Europe. She also teaches on various aspects of worship and is in demand as a speaker at women's events and retreats.

Lianna lives in Old Montreal, Quebec with her husband.
